**Time:** 5:30 - Fellowship  
6:00 - Dinner with speaker to follow  
**Place:** Charcoal Grill  
15375 W. Greenfield  
New Berlin WI  
**Cost:** \$25 Members | \$30 Nonmembers | \$15 Retirees

**“MetalTek: A Revolution in Foundry Safety”**  
Speaker: E.J. Kubick, President

MetalTek International – Wisconsin Centrifugal, recognized an urgent need to improve the health and safety their employees, thereby improving morale, reducing lost work days, and reducing OSHA incidents. Three years ago they embarked on a coordinated effort to improve their safety performance and the results have been astounding. Employee moral has improved, lost time incidents have decreased to zero and OSHA incidents have been reduced by more than 80%. Hear about the tools and techniques they have employed to encourage this safety revolution!!!

**Please call the chapter office at 262-594-2375 to make reservations, or send an email to [wiafs@wi.rr.com](mailto:wiafs@wi.rr.com), no later than September 16.**

A special thank you to the vendors who helped make the golf outing a huge success. Although the rain dampened a few spirits, a great time was enjoyed by all. Thank you to Tom Schell, Foseco Metallurgical, for his years of commitment to the committee.

*The AFS Wisconsin Chapter is dedicated to serving its membership through educational, professional, and social activities designed to strengthen and promote the local metalcasting industry today and for the future.*
