### **81st Wisconsin Regional Foundry Conference and Exposition** **"Solidify Your Casting Future!"** **February 13-15, 2019**

Please save the date and take some time to review the exhibitor prospectus included in this document. [As a returning exhibitor](#), we will save your booth location until Friday November 16, 2018. After that date, the exhibit spaces are first come, first serve. Interested exhibitors who did not exhibit last year can register on a waiting list, and you will be contacted after November 16, 2018 to advise if space is available.

We have remained focused and have placed a lot of attention on our Technology and Educational sessions for this year's event. The Potawatomi Expo Center offers a spacious exhibit hall and state of the art technical session rooms, not to mention seven restaurants in the building. We had a high foundry turnout in 2018 and understand, as exhibitors, your time with customers is valuable.
