

Tech Session Schedule

Session Date	Session Time	Session Room	Topic	Speaker
Thursday, February 8th	9:00 AM - 10:15 AM	Progress	Automation Pitfalls: Quality Process Design	Ted Schorn, Enkei America, Inc.
Thursday, February 8th	9:00 AM - 10:15 AM	Prosperity	3D Printing in Production	Brandon Lamoncha, Humtown Products
Thursday, February 8th	9:00 AM - 10:15 AM	Inspire	Cold Box Core Production - Process Control	John Letts, LAEMPE REICH
Thursday, February 8th	9:00 AM - 10:15 AM	Clarity	Expanding Awareness in Metalcasting to Gen Z's at the High School Level	Brian Lewis, Foundry Educational Foundation (FEF)
Thursday, February 8th	10:30 AM - 11:45 AM	Progress	Environmental Compliance and Enforcement - How to Best Prepare Your Company for 2024	Cristopher Proctor, Free Flow Technologies
Thursday, February 8th	10:30 AM - 11:45 AM	Prosperity	Arts/Industry: 50 Years of Collaboration	Siara Berry & John Michel, Kohler Arts Center
Thursday, February 8th	10:30 AM - 11:45 AM	Inspire	Empowering Small and Mid-Size Foundries: Automation and AI for Cost Savings and Efficiency	Derek Yesmunt, Monitizer, A Norican Group Technology
Thursday, February 8th	10:30 AM - 11:45 AM	Clarity	American and European Pressure Codes and Directives	Mike Porfilio, Stainless Foundry & Engineering, Inc.
Thursday, February 8th	1:15 PM - 2:30 PM	Progress	Optimizing Abrasive Use in Blast Cleaning	Kumar Balan, Ervin Industries
Thursday, February 8th	1:15 PM - 2:30 PM	Prosperity	Automated Finishing of Aluminum Castings for Reducing Programming and Setup Time	Sam Manternach, University of Northern Iowa - Foundry 4.0 Center
Thursday, February 8th	1:15 PM - 2:30 PM	Inspire	Foundry Data Dashboarding	Nathaniel Bryant, University of Northern Iowa
Thursday, February 8th	1:15 PM - 2:30 PM	Clarity	3D Sand Printing 101	David Rittmeyer, Matthews Additive Technologies
Thursday, February 8th	3:00 PM - 4:15 PM	Progress	Characterizing Performance of Expendable Patterns Produced by Additive Manufacturing	Josh O'Dell, University of Northern Iowa
Thursday, February 8th	3:00 PM - 4:15 PM	Prosperity	Accelerating Executive Development For Your Competitive Advantage - Unlocking Leadership Excellence	Kathy Clark & Debbie Rudan, Executive Agenda
Friday, February 9th	8:45 AM - 10:00 AM	Serenity	Ice Mold Ablation for Aluminum Casting	Kyle Metzloff, UW Platteville
