Charter Fishing Information

Sport Fishing on Lake Michigan with Reel Sensation Fishing Charters.

All boat captains are U.S. Coast Guard licensed and use the latest in fishing tackles and marine electronic equipment for catching:

- ◆ Lake Trout
- ◆ Brown Trout
- ◆ Silver Salmon (Coho)
- ◆ King Salmon (Chinook)
- ◆ Steelhead Trout (Rainbow)

Being the longest established fleet of sport fishing boats in our area, they employ experienced captains to bring the most comprehensive sport fishing in the entire Milwaukee area.

All boats are licensed by the U.S. Coast Guard and the Wisconsin DNR. They also carry insurance from a reliable insurance carrier. In addition to the boat license, all captains are licensed by the Wisconsin DNR.

All necessary fishing equipment is furnished for your charter as well as the most modern electronic safety & fishing equipment.

Boat captains will clean your fish for you so that they are freezer ready. BYO cooler.

All boats are inspected for safety each year. In addition, each boat, captain and crew member must meet all federal, state and local regulations.

All captains and employees voluntarily submit to yearly random drug testing. All to insure the most safe and relaxing charter fishing experience available in the area.

Directions to McKinley Marina

Take I-794 East to Lake Michigan. Go North on Lincoln Memorial Drive. Entrance across from the Alterra Coffee building. Meet near the round building in the boat launch area. Boats leave at 5:00 AM so arrive early!

Suggestions For Your Comfort

Bring a warm jacket or a sweater appropriate for the weather. Remember that the temperature on the lake is often 5 to 10 degrees cooler than on shore. Include rain gear if the weather so indicates.

Please wear soft-soled shoes to insure footing and safety.

A box lunch will be provided, and beverages (beer & soda) will be available on board. You may also bring your own beverages--However, NO glass containers allowed.

Fishing License

A 2-day Great Lakes fishing license or Wisconsin fishing license with a trout stamp is required. Bring your fishing license with you!

Motion sickness tablets are suggested for all passengers. Follow correct dosage directions.

If weather conditions are questionable, call Reel Sensations at **414-384-8096** for an update.

If you plan to take your catch home, be sure to bring a cooler to preserve it while you are at the AFS Wisconsin Dinner Banquet.
